

HONOM 2019

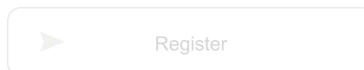

From 04/01/2019 To 04/05/2019

ETS de Ingenieros de Minas y Energía

Organized by Arturo Hidalgo

The registration has finished.

Categories: Aeronautical engineering (/search.html?category=1001-157) Biotechnology (/search.html?category=1001-149) Industrial engineering (/search.html?category=1001-160) Mathematics (/search.html?category=1001-250) Mining engineering (/search.html?category=1001-159) Physics (/search.html?category=1001-251) Water, energy and environment (/search.html?category=1001-148)

Labels: Conference numerical analysis (/search.html?category=1000-14354) High order methods (/search.html?category=1000-14353) Honom 2019 (/search.html?category=1000-14351) PDEs (/search.html?category=1000-14352)
